

## The Secord Lake Fishery Advisory Committee

*Our purpose is to partner with the DNR Fisheries Biologist to champion and communicate responsible management of the Secord Lake fishery for generations to come.*

# SECORD LAKE ANGLERS FISHING DIARY

*Purpose to provide input to DNR Fisheries that will help gauge the health of the Secord Lake fishery.*

The voluntary survey can be completed via computer or printed to be filled out. Completed surveys can be emailed to [SecordLakeAssociation@gmail.com](mailto:SecordLakeAssociation@gmail.com) or mailed to Secord Lake Association, PO Box 176, Gladwin, MI 48624

Please provide the date an approximate time spent fishing (you can use “type here” boxes).

<b>Date(s) Fished</b>		<b># of People Fishing</b>		<b>Approx. time spent fishing to the nearest half hour</b>	
-----------------------	--	----------------------------	--	------------------------------------------------------------	--

Please provide input into your experience for this day. Simply mark the appropriate boxes. Please use the map on page two to indicate what area of Secord Lake fished. Multiple lake locations are acceptable.

Species	Species Targeted	Species Caught	Area of Secord Lake Fished	Number and Ave Size for each
Example: Bluegill	X	X	B	14 fish ave. 9”
-	-	-	-	-
Bluegill				
Crappie				
Perch				
Northern Pike				
Largemouth Bass				
Walleye				
Muskie				
Pumpkin Seed				
Rock Bass				
Bullhead				
Catfish				
Other? Please list:				

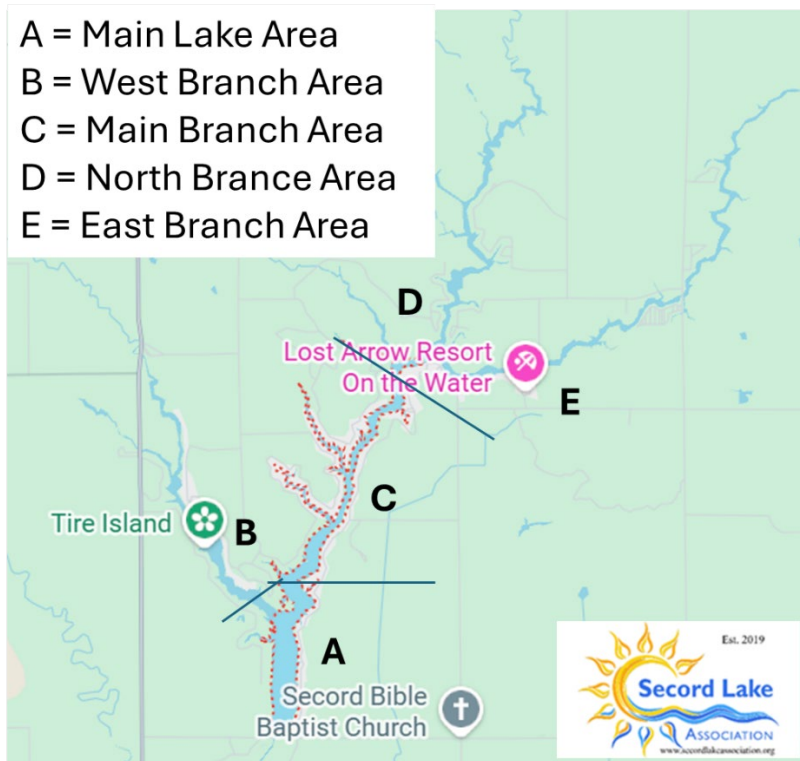

Optional – - more information on your success with Game Fish.

Game Fish Caught	Length of Each Fish Caught	Fish Released (yes or no)
Bass		
Northern Pike		
Walleye		
Musky		
Other?
