

Secord Lake Helping Hands VOLUNTEERS Sought

Secord Lake Association (SLA) seeks volunteers to establish a team to assist others in the Secord Lake community to remove debris from their shoreline or waterway. Logs, trees, floating stumps, etc.

The Secord Lake Helping Hands (SLHH) team plans to assist others who are physically unable to do the work focused on elderly, handicapped or on clean up jobs that may require a team to be successful. The team will not be clearing for people that can do it on their own.

The team will also explore Secord Lake related projects like corralling floating debris or final clean up of public gathering areas such as sandbars.

We seek all types of volunteers from individuals that can rake and use a shovel, people with chainsaw expertise and access to special tools such as power winches, small front-end loaders, and trailers to haul away some debris such as tree trunks / branches.

If you can help others in the community and would like to be part of a fun volunteer team, please contact us at SecordLakeAssociation@gmail.com

If you are a property owner that believes you may qualify for SLHH help, please contact the Secord Lake Association and we will contact you to learn more. SecordLakeAssociation@gmail.com
