Upcoming RestoreTheLakes Informational Presentations

We have had great attendance and interest in the several recent informational meetings with the focus being on the restoration of Secord Lake. We discuss how the grant will aid the timeline to restore Secord, how the grant will reduce the burden on property owners on all 4 Lakes, along with the need for and timing of the special assessment.

Our next scheduled sessions are:

WEDNESDAY JUNE 8th - 7:00 PM - at the Clement Township Meeting (Clement Township Hall, 1497 E. M-30) – The presentation will be an agenda item to this regular monthly meeting

TUESDAY JUNE 14th – 7:00 PM – at the Bourret Township Meeting (Bourret Township Hall, 2749 School Rd) - The presentation will be an agenda item to this regular monthly meeting

Please note: All are welcome to attend - you do not have to be a member of the Secord Lake Association or a resident of either Township to attend. There will be an opportunity for questions at the end of the presentation.
